## Experience

---

### Perkins Eastman Architects

Experiential Graphic Design Intern | New York, New York | 06.2023-12.2023

Designed experiential and environmental graphics, wayfinding, and compliant ADA signage for domestic and international clients in areas including: hospitality, higher education, and healthcare.

Supported design leads from initial kickoff to construction administration.

### MikaVie

Freelance Graphic Designer | Remote | 08.2022-Present

Helped develop branding identity and consulted on design principles for skincare brand start-up.

Developed package design for various products and photographed products for social media use.

### Sidechat

Community Manager | Virtual | 09.2022-02.2023

Assisted in the app's successful launch at Northeastern University by creating valuable content related to the university's social scene and its current events.
